ORDER TO REPORT FOR INDUCTION

The President of the United States,

To Homer Marvin Bastian
 (First name) (Middle name) (Last name)

Order No. 10,863

GREETING:

Having submitted yourself to a local board composed of your neighbors for the purpose of determining your availability for training and service in the armed forces of the United States, you are hereby

notified that you have now been selected for training and service in the Army
(Army, Navy, Marine Corps)

You will, therefore, report to the local board named above at 909 Harrison, Amer. Legion Home
(Place of reporting)

at 5 P. M., on the 29th day of December, 1942
(Hour of reporting)

This local board will furnish transportation to an induction station of the service for which you have been selected. You will there be examined, and, if accepted for training and service, you will then be inducted into the stated branch of the service.

Persons reporting to the induction station in some instances may be rejected for physical or other reasons. It is well to keep this in mind in arranging your affairs, to prevent any undue hardship if you are rejected at the induction station. If you are employed, you should advise your employer of this notice and of the possibility that you may not be accepted at the induction station. Your employer can then be prepared to replace you if you are accepted, or to continue your employment if you are rejected.

Willful failure to report promptly to this local board at the hour and on the day named in this notice is a violation of the Selective Training and Service Act of 1940, as amended, and subjects the violator to fine and imprisonment.

If you are so far removed from your own local board that reporting in compliance with this order will be a serious hardship and you desire to report to a local board in the area of which you are now located, go immediately to that local board and make written request for transfer of your delivery for induction, taking this order with you.

John Dean
 Member or clerk of the local board.

To you who answered the call of your country and served in its Armed Forces to bring about the total defeat of the enemy, I extend the heartfelt thanks of a grateful Nation. As one of the Nation's finest, you undertook the most severe task one can be called upon to perform. Because you demonstrated the fortitude, resourcefulness and calm judgment necessary to carry out that task, we now look to you for leadership and example in further exalting our country in peace.
